

A MESSAGE FROM CHARLIE & TASHA

WE ARE BACK!

After 3 years we are returning BIGGER than ever. We have expanded into our new 33,000 sq ft educational facility. It is time to strap up your boots and prepare to join us during this brain bootcamp journey to conquer education barriers. The pandemic has taken a toll on our children's education causing an educational gap and disparities. Not only this, but the impact of unfinished learning on our children's well-being seems to be playing out in the choices that students are making today. We need your help to continue supporting our children with STEAM education, tutoring, mentoring and so much more to close this learning gap and fight back!

Join us as we host our 14th Annual In the Pocket fundraiser benefitting our Out of School Time and STEAM Programs. The night will be filled with some friendly competition with Steelers players and local celebrities in ping pong, pool and poker, plus a great auction - and more! We hope to see you In the Pocket! **THANK YOU FOR YOUR CONTINUED SUPPORT.**
